

Acer palmatum 'Blood Good'

Deciduous upright Japanese maple with stunning dark-purplish, almost black-red serrated leaves into late summer, turning bright crimson in autumn.

Uses

This tree makes a beautiful specimen tree in small gardens due to its compact size.

Preferred Position & Soil

Most Japanese maples prefer fertile, well-drained soil in full to filtered sun and this is no exception.

Mature Height:	5m
Mature Width:	3m
Form:	Weeping
