

Acer palmatum

Japanese Maple

A tree with beautiful foliage and spectacular orange autumn leaves.

Uses

Ideal for small gardens, attractive street trees and can also be grown in containers, ensuring the container is large enough.

Preferred Position & Soil

The leaves can be easily spoilt by sun and wind so a part shade or afternoon shade position is ideal. They will thrive in well drained, organic rich soil.

Mature Height:	4m
Mature Width:	4m
Form:	V-Shaped
Family:	Aceraceae
Categories:	Deciduous, Informal Screening, Shade Tree, Tree-Feature Foliage
