

Leptospermum petersonii

A beautiful Australian native tree with new foliage a copper/bronze colour and a small white flower that is born in early summer. The leaves when crushed give a citrus scent.

Uses

Fantastic as a street tree because of its smaller growth and can also be used an informal hedge.

Preferred Position & Soil

Adaptable to most soils but prefers a well drained full sun position.

Mature Height:	5m
Mature Width:	3m
Form:	Round
Family:	Myrtaceae
Categories:	Evergreen, Informal Screening, Native
