

Robinia pseudoacacia 'Frisia'

Golden Robinia

This attractive deciduous tree provides soft filtered shade with its open habitat and pinnate leaf shape. It is a moderate grower with striking lime green foliage. Long white flowers are produced in early summer. The golden colour intensifies in autumn.

Uses

Robinia 'Frisia' makes a great residential feature tree due to its striking foliage colour and dappled shade. Can also be used for street planting or in parks and gardens.

Preferred Position & Soil

This selection is tolerant of most soil types although it does prefer a moist well drained soil and full sun.
