

Broad selections for hedging

These selections are perfect for ultimate coverage. Trees are full and fat and dressed to the ground.

Waterhousea floribunda 'ST1' **Whisper** **WEEPING LILLY PILLY**

This is a great tree for a broad evergreen screen. It has a wonderful weeping habit with narrow leaves and an attractive pinkish-green tone to new foliage. Our selection is bushy to the ground, making the instant hedge a reality. Talk to us now for material from under 1 metre to upwards of 4 metres tall depending on your needs.

Prunus lusitanica **EVERGREEN PRUNUS, PORTUGUESE LAUREL**

Otherwise known as Portugese Laurel, Prunus lusitanica is an evergreen shrub or small tree with glossy dark green oval leaves and small white flower heads in spring. It is full and lush and perfect for a board hedge that you can clip to shape. We have good numbers available in 20cm, 30cm, 40cm containers, 50 and 100 litre bags.

Photinia robusta **RED LEAF PHOTINIA**

This fast growing tree is small growing but broad and dense for hedging. Glossy foliage has an attractive red tinge when young which turns to green. We have material available now in 30cm and 50 litre containers.

Viburnum tinus

LAURESTINUS

This tree has a dense growth habit with dark glossy green leaves that develop purplish tones in cold weather. It's best feature is it's spectacular pinkish white flower heads that are highly fragrant and borne in mid summer. Makes a terrific small broad hedge to 3 metres tall. We have this variety in 30cm and 50 litre containers.
