

## Weeping Japanese Maples

Looking for a statement tree with outstanding autumn colour? Try weeping Japanese Maples!

**Acer palmatum dissectum  
atropurpureum '(weeping standard)'  
PURPLE WEEPING JAPANESE MAPLE**

This is a beautiful Japanese Maple standard with lace-like leaves that are deeply lobed with serrated edges. The early foliage is a claret red colour turning a deep orange and crimson in Autumn. We have stock in 40cm/27L containers and are grafted between 1.5-1.8m tall.

**Acer palmatum dissectum 'Inaba  
Shidare' (weeping standard)  
INABA SHIDARE WEEPING JAPANESE  
MAPLE**

This is a vigorous and sturdy, upright growing Japanese Maple with a cascading form. It retains its larger, intricate crimson-burgundy foliage well throughout the season. We have stock available in 40cm/27L and 50cm/52L containers, grafted between 1.5-1.8m tall.

**Acer palmatum dissectum 'Ornatum  
Bronze' (weeping standard)  
ORNATUM BRONZE WEEPING JAPANESE  
MAPLE**

The leaf colour in this Japanese Maple ranges from greener tones in summer to a brilliant reddish-bronze in autumn. It has a domed weeping habit with deep lobed leaves with serrated edges. This gives the leaves a feathery look. We have material in both 40cm/27L and 50cm/52L containers grafted at 1.5-1.8m high.

## **Acer palmatum dissectum 'Viridis' (weeping standard)**

### **VIRIDIS WEEPING JAPANESE MAPLE**

A graceful and wide spreading weeping Japanese maple with bright green foliage that has fine lobes that are both individually divided and serrated giving the foliage a feathery appearance. The green leaves turn yellow-gold then a brilliant scarlett-red in autumn. Talk to us now about our 40cm/27L and 50cm/52L material.
