

Be the first to select the
'cream of the crop' for your
next landscaping project

These deciduous trees are with leaf now, but are soon to be bare... and ready for sale.

We have large and healthy stock of Acer, Lagerstroemia, Platanus, Pyrus and more – all with good height and calliper - currently growing in-ground. This material will be dug soon and supplied into Melbourne from June to August in 100 Litre Root Control Bags ready for immediate planting.

Be quick to secure your order.

Material can be reserved by calling the Speciality Trees sales team on **03 9796 8308**. Alternatively, you can fill out our order form and fax back to us on **03 9796 8222**.

All prices are ex-nursery from our Narre Warren East site.
