

## Acer negundo 'Sensation'

A small to medium sized maple that has a great symmetrical shape and an upright growth habit. New leaves have a green to reddish tone autumn leaves are attractive bright red, orange and yellow tones. Bark is a greyish brown with green fresh branches.

This tree is suitable for avenue plantings due to its great Autumn colour. It also works well in large residential gardens and community parks and gardens.

Performs best when grown in full sun and is moderately tolerant of both wet and dry soil conditions. A very hardy maple that can even tolerate some coastal conditions.
