

Tree	 <p>Acmena smithii 'Hot Flush' SMALL LEAFED LILLY PILLY</p>
Description	A lovely Australian native shrub with moderate growth habit, dark green mature foliage, with reddish new growth. Great little shrub that can be used for hedging. This shrub small clusters of white flowers that turn to small berries in autumn.
Foliage	 Evergreen
Form	 Shrub
Mature Size	4 x 2m
Uses	Perfect for a native alternative to low hedges or screening. Responds well to pruning which makes it a great plant for topiary. The red new growth adds great colour to any garden.
Position & Soil	Full sun to heavy shade, will tolerate most soil types though prefers most reasonable well drained soils. Doesnt like extended periods of drought
