

1060 Wellington Road Narre Warren East VIC 3804 T: 03 9554 2000 sales@specialitytrees.com.au www.specialitytrees.com.au

A popular ornamental tree that has a fastigiate growth habit and green leaves that turn shades of yellow and gold in autumn. The leaves have serrated margins and are strongly veined. Foliage Form ① Fastigiate Mature Size 12 x 4m Uses Its tight, upright form makes it suitable for avenue planting, hedging and a good tree specimen in smaller gardens. This variety can be hedged or clipped to provide a screening alternative. Carpinus often has its canopy raised to leave a clear trunk at the base. Position & Soil While this tree is suitable for slightly-shaded area, they are very hardy, preferring a well-drained, moist site with full sun. Tolerant of a wide range of soils.
