

Tree	 <p>Magnolia grandiflora 'Sweet 'n' Neat'™ </p> <p>SWEET N NEAT MAGNOLIA (EVERGREEN)</p>
Description	<p>This is a new selection of evergreen Magnolia suitable for little spaces in full sun or part shade. Foliage grows full and is, therefore, more compact than similar hybrids such as 'Sweet Carolina'. Large creamy white flowers are produced through summer and autumn.</p>
Foliage	<p> Evergreen or type unknown</p>
Form	<p> Oval</p>
Mature Size	<p>3 x 2m</p>
Uses	<p>This is a variety suitable as a stand-alone specimen or flowering screen. It can also be trimmed into a hedge if preferred.</p>
Position & Soil	<p>Performs best in full-sun to part shade and tolerates polluted city atmospheres. Prune to shape in spring. Likes the application of a balanced long-term fertiliser. Magnolias require organic, well-drained soils with summer irrigation for success. A low water user, once established.</p>
