

Dodonaea viscosa purpurea

PURPLE HOP BUSH

Dodonaea viscosa purpurea is a fast growing shrub with beautiful, copper-coloured foliage providing fantastic contrast in the garden. Due to its dense growth habit it is great for hedging or an informal screen.

Dodonaea is a good selection for hedges as well as for feature plantings.

This variety likes a well drained soil and will tolerate dry conditions. Regular tip pruning will promote growth and a bushy habit.

Foliage Evergreen

Form Conical

Mature Size 1-3 x 3m

Family Sapindaceae
