

Ginkgo biloba 'Blagon Fanfare'

This variety of Ginkgo, with its natural pyramidal growth habit, is ideal for use in hedging, driveways and avenues. It's a hardy and low-maintenance tree, providing typically fan-shaped foliage that turns from green to a stunning golden-yellow in autumn.

Due to its columnar form, it is a good selection for narrow plantings, along driveways and avenues. Also an option for hedging growing to 8m tall.

Prefers a well-drained soil in a sunny position.
