

## Liquidambar styraciflua 'Festeri'

### 'FESTERI' SWEETGUM

This is an Australian variety of the classic Liquidambar, noted for its more compact size, smoothness of bark and brilliant autumn colours.

A beautiful tree for medium and large gardens, or as a feature in parks and landscapes. Its stunning foliage in autumn makes a statement.

Prefers full sun in well-drained soils. A hardy tree once established that tolerates many growing locations including wet soil.
