

Liquidambar styraciflua 'Yarra Glen'

'YARRA GLEN' SWEETGUM

This is a conical shaped tree which becomes rounded with age. It has beautiful finely toothed leaves which colour to shades of red, orange and purple during Autumn.

A beautiful large tree best suited in parks or large gardens. It has stunning foliage in Autumn that makes it a great feature shade tree.

Prefers full sun in well-drained soils. A hardy tree once established that tolerates many growing locations including wet soil.
