

## Magnolia grandiflora 'Sweet Spire'

This is a new selection of evergreen Magnolia suitable for little spaces in full sun or part shade. 'Sweet Spire' grows upright and slim with dark green leaves. It produces creamy white flowers from spring to autumn.

As a low growing specimen, this variety suits tight positions where a narrow screen is required.

Grows best in a full sun or part shade position in rich, well-drained soils. Once established, will endure heat and low levels of frost.
