

## Pittosporum tenuifolium 'Green Pillar'

This tree has glossy green thin leaves that are crimped at the edges. It has flowers in Spring which are dark red. It has a dense growth habit great for hedges.

Its dense foliage and quick growth is perfect for screening. It responds well to pruning and can be shaped as needed.

Tolerates most soils in a full sun position. Favoured for its tolerance of difficult growing conditions, including dry soils and shady positions.

**Foliage** Evergreen

**Form** Oval

**Mature Size** 3 x 3m
