

Prunus serrulata 'Kanzan' (syn. 'Sekiyama')

KANZAN FLOWERING PINK CHERRY

This is a small deciduous small tree, considered one of the showiest flowering cherries on the market. Flowers are big and a vibrant pink. Foliage is deep bronze-colored initially becoming dark green above and paler underneath. The tree begins with a narrow form but spreads out upon maturity.

This tree makes a lovely flowering feature tree in any landscape garden.

This tree likes most soil types but prefers a humus-rich one. It can tolerate full sun or part shade.
